# INTRODUCTION

---

Due to the amazing growth and evolution the tourism sector has experienced on the island of Ibiza, it has become increasingly necessary to **modernize** the business projects with the **subcontracting** of services. In this way the company is able to focus its efforts and resources on foremost objectives, such as customer loyalty.

We are aware of the difficulties of making the **administration of companies compatible with the management and recruitment of artists or the operation and maintenance of equipment facilities for events**. At Ibiza Music Group we free you from that responsibility by carrying out the complete management of the artists that your company may need, **designing personalized projects** together with our professionals, all of whom have an outstanding international background.
